VOL. II. GLENDALE, LOS ANGELES COUNTY, CAL., FRIDAY, MAY 18, 1906. NO. 3

City Trustees

Meeting called to order by Chairman Parcher and upon roll call four trustees answered to their names, Trustee Anderson being absent; and as Wednesday was a holiday, the city attorney advised that no action be taken regarding the passing of ordinances, as such action would not be legal unless all members were present.

The absent member, Mr. Anderson, was communicated with, and the board adjourned to meet on Friday evening at 7:30.

After adjournment the members of the board went into committee of the whole and discussed matters of general interest.

Mr. Ackley, on behalf of the property owners along Seventh street, made verbal protest with the committee, objecting to the acceptance of the street grade established by the city engineer on Seventh street east of Brand Boulevard. The engineer, in establishing the grade of Seventh street, made certain cuts and fills in order to conform to the grade of Brand Boulevard. Mr. Ackley said that the street, unless repaired and regraded, would be more than a foot above the sidewalks and curbs. Other residents of this section of the city expressed the opinion that if the grade of the city engineer is allowed to stand and the street lowered to make this grade, that it might cause a portion of the water, which has its drainage along Glendale avenue, to be diverted so that it would run down Seventh street. The engineer explained that the reason for the establishing of the grade along Seventh street was because the railroad company has a private right-of-way along Brand Boulevard, the grade of which cannot be changed, and that if he allowed the protestants to have the grade they preferred, it would cause a greater number of property owners fronting on Brand Boulevard to make fills, entailing a much greater expense than would be occasioned by lowering the grade of Seventh street.

Following the protest and discussion, the matter of abandoning Verdugo Road for the purpose of giving the Los Angeles Railway Co. a private right-of-way was taken up and a committee, composed of E. D. Goode and R. A. Blackburn, reported that the railroad company had signified its willingness to lay its track so that the center of the track at crossings should not be more than six inches above the level of the street; and that the company would cover the ties as near as possible consistent with proper drainage of the roadbed, and would establish crossings every three hundred feet within the city limits. As the property owners along Verdugo Road who had signed an agreement to abandon the road providing the railroad company would lay its track to conform with the street grade, it was deemed best to appoint a committee to wait upon these parties and apprise them of what the railroad company was willing to do regarding the matter of grade, and F. R. Sinclair was appointed to wait upon the people and ascertain whether or not they were willing to accept the railroad's terms.

Meeting adjourned to meet Friday evening at 7:30.

FRIDAY, May 18.

Meeting called to order by Chairman Parcher, all members being present.

Minutes of previous meeting read and approved.

Demands 20, 21, 22 reported favorably by finance committee, were allowed.

Bills of Stoll & Thayer amounting to $13.45 for supplies, was referred to finance committee.

Communication from E. T. Reynolds asking for permission to build walk and curbs, referred to committee on public works.

Communication from members of the Tuesday Afternoon Club deploring disorderly conduct of certain boys in disturbing public meetings, was referred to city marshal for action.

Petition from Hugh Glassell for franchise to lay water pipes along the streets of Glendale for fifty years for supplying water for domestic use, was referred to the city attorney for his inspection as to the legal requirements in the matter.

Ordinance regulating street work by private contract was read third time and adopted.

Application from Geo. B. Mock asking for permission to construct cement walks and curbs in McIntyre's Miner tract was read and referred to committee on public works.

Application from Max Muir for acceptance of map was referred to committee on public works.

Application from Sinclair and Sherholtz for acceptance of map of proposed subdivision, was referred to public works committee with instructions to report at board's next regular meeting.

Mr. Sinclair, from the Verdugo Road district, acting as a committee of one, reported regarding the willingness of property owners to abandon Verdugo Road for railroad purposes; that all property owners interviewed, with the exception of one, agreed to abandon the road. Mr. Sinclair further stated that the property owners wished to have an assurance that the railroad company would conform to certain regulations.

After discussion of considerable length, motion was made to instruct the city engineer and city attorney to prepare a resolution of intention to vacate Verdugo Road. Motion carried.

A resolution granting to R. A. Blackburn and A. Genslein right to lay pipes for supplying gas for lighting purposes in Glendale, was adopted.

On motion, T. W. Doyle was appointed deputy city assessor.

On motion, previous action referring acceptance of Sinclair-Sherholtz map to public works committee, was rescinded and the map was on motion accepted.

On motion, the city attorney was instructed to draw up a resolution of intention to sidewalk and curb Glendale avenue on both sides of the street from First street to Sixth street.

NOTICE

All parties having books from the State Traveling Library will please return them to the Glendale reading room at once, as the time for keeping this library will expire on the 20th and the books must be returned to Sacramento and a new set of books will be installed.

LIBRARY SECRETARY.

WATSON'S MARKET

Opens for Business in New Quarters, Corner Fourth Street and Glendale Avenue

On Friday of this week W. G. Watson & Son opened for business in their new market in the Watson Block, corner Fourth street and Glendale avenue. They found their quarters at the corner of Third and Glendale avenue entirely too small to meet the requirements of their business, necessitating the change to more convenient and larger quarters.

The arrangement of the new market is perfect as to ventilation, sanitation and general convenience. A new Simmons refrigerator with an ice capacity of two tons, and room for five dressed beeves, numerous sheep carcasses, besides pork, sausages and dressed poultry has been added, also a large rack with convenient hooks for hanging salt meats; and there are two large new maple meat blocks. A large cutting room has been partitioned off in the rear of the market and a room has been built back of the market building to be used as a poultry dressing department.

The walls of the front room are tinted and the floor painted and the whole arrangement is such that it gives to Glendale a market that would be a credit to a city of much greater proportions.

Watson & Son is the pioneer business firm of Glendale and their untiring energy and never-dying faith in the future greatness of Glendale is evidenced by this most valuable addition to the needs of the public and they are certainly deserving of the large patronage which is extended them by the citizens of Glendale and the valley

Odd Fellows to Build New Hall

The Glendale Odd Fellow's Hall Association held a called meeting at I. O. O. F. Hall on Thursday evening when stock in the sum of $1,100 was reported sold. The Association further reported having purchased a lot on Glendale Ave of B. F. Patterson and it was decided by the members present to commence construction on a hall the dimensions of which are to be 50x90. Work on this building is expected to commence just as soon as the building committee completes plans and a decision is arrived at as to general spcifications.

The membership of I. O. O. F. has grown to such an extent in Glendale, recently, that it has become necessary that a new home for its members be secured, and the boys have concluded that the best plan is for the order to build its own hall, thereby securing quarters best adapted to their needs, and it is hoped that in time the rentals derived from the building will ultimately give the order a home of its own that will be free from expense to the members.

The Association is organized according to the laws of the state of California, and for the sum of $10,000.

Many public spirited citizens, wishing to see the order grow and to help along a worthy cause, and to secure for Glendale this much needed hall, have signed an agreement signifying there willingness to donate work for the construction of the building, and in some instances, those who cannot convienently help by giving work, have subscribed money.

Every citizen of Glendale should be interested in the building of this hall, and all should lend encouragement by either subscribing for stock or donating labor or money.

The meeting adjourned to meet on Thursday evening.

At the meeting on Thursday evening the Association directors accepted plans for the hall, and just as soon as subscriptions are paid in and arrangements as to whether the work of construction shall be by contract or day's labor decided, then actual work will begin.

There was an interesting reunion at the residence of Gen. F. C. Prescott, 2958 Harvard Boulevard, Los Angeles, last Sunday.

Twenty-four years ago, the operating force of the Western Union Telegraph Co. in Los Angeles consisted of Manager R. R. Haines, Chief Operator J. C. Sherer and Operators F. C. Prescott, H. H. Cooper, E. J. Kendall, Thomas Gray and E. F. Kubel.

On Sunday last all of these gentlemen, except the last named (who died about two months ago), assembled together with Gen. Prescott as host and spent a few enjoyable hours together. The principal feature of the occasion was the taking of a photograph of the group (with one vacant chair) just as they were photographed twenty-four years ago. Of the six survivors of the group, all are located in or near Los Angeles, except Mr. Kendall, who is superintendent of the new Bay Line electric road in San Francisco.

Dinner Party

Mrs. Edgar W. Pack entertained a number of her Tropico friends at her home, "The Priory," on Tuesday afternoon last.

The decorations were most elaborate, consisting of carnations, sweet peas and roses most artistically arranged in the drawing room. The library had the tall, graceful calla lilies placed in large clusters. In the dining room were trailing vines, palms and potted ferns, while Maman Couchet roses filled the cut-glass flower holders.

A dinner of eight courses was served and enjoyed by the following guests: Mesdames Hobbs, Logan, Webster, Maxwell, Rice, Bullis; Misses Harriet Myers, Mary Logan, Lila Webster, Leola Webster.

THE WATER DECISION

The Supreme Court at Washington has decided the case of Devine and others, carried up from the Circuit Court, which denied jurisdiction, against the plaintiffs, and there is now no other way than to fight the present case through the state courts and thus gain a hearing in the United States Supreme Court.

This decision is not unexpected and does not and can not in any way affect the standing or prospects of the case now being litigated.

The report as published Tuesday morning in the Times was absolutely false and misleading; a statement put out by design to give the city credit on property that eventually she hopes to steal from the rightful owner. Yes; the city needs the waters of the San Fernando Valley as an asset on which to borrow money, and she has no scruples as to the means she employs to gain the credit of their possession.

The statement set out in the news despatch announcing the decision was as utterly and brazenly false as it could be formulated and the Times knew it to be so, yet published it without criticism or correction.

There was nothing before the court but the simple question of jurisdiction, hence there was nothing else to decide, and nothing else was decided. In fact, there never has been a case decided by the United States courts that adversely affects the water rights of the San Fernando Valley ranchers; and the person who fathered that despatch was either an ignoramus or an unmitigated liar.

Let no one be alarmed at the fool story of this poor tool, for it indicates a weakness in the city's case when she constantly resorts to such dishonorable means to give an impression that her cause is sustained by justice and equity. That is something she has yet to prove before an unprejudiced court.

Enough of Talk

Glendale is now undergoing the experience of "much ado about nothing," or in other words, there is much being said about railroads, gas plants, etc., but there seems to be very little back of all this talk.

The talk of building a road from the Eagle Rock road to Verdugo Park has been going on some three or four months, and it would seem as though it were about time that things should assume definite form, and action regarding actual construction should commence ere long.

The people of the Verdugo Road district have expressed their willingness to give the railroad people a private right-of-way along that thoroughfare, providing the railroad company in building its track will conform to the street grade established by the city. As to the raising of a bonus, that matter cannot well be gone into until the railroad people either accept or refuse the grade stipulation.

Rumor has it, that certain parties will ask the city trustees for a franchise for an electric line along Sixth street. It begins to look as though there is more franchise asking than there is real business intention back of the asking. However, the city trustees have no intention of granting indiscriminate franchises, and there is no use for parties to ask for same, unless they can back up their application with a bond to commence construction in a resonable length of time. Glendale has no objection to another road coming here, but our citizens will not give franchises and rights-of-way until they are certain that the parties asking for same, really intend to build a road when the franchise is granted. The same may be said regarding a gas plant. If these people who are asking for rights-of-way and franchises really mean business, let them come out into the open and make their propositions, so that our people can work to some purpose in trying to help along a good cause.

On Tuesday, the writer enjoyed the privilege of a delightful ride in J. F. McIntyre's new Reo automobile and on Wednesday, Mr. C. G. Wilkinson treated us to a ride in his new Moline auto. These whizzers are certainly the most convienent and delightful way to travel, and if the prosperity of THE GLENDALE NEWS continues, its proprietors are in hopes of being able to purchase a second hand bicycle within the next five years, and we hope thereby to graduate into the use of an automobile by the time they become cheap enough for country editors. In the meantime, our friends who own autos, and need ballast in holding the "jiggers" down, can always secure plenty of the aforesaid avoirdupois by calling at THE GLENDALE NEWS office.

On account of unavoidable delay occasioned by the inability of the photo engravers to turn out the halftones which are necessary to illustrate views in and around Glendale, the Anniversary number of this paper which was to have been published about May 18th, has been delayed, but just as soon as this work can be completed by the artists, the number will be published, and we can say to the general public that this Anniversary number will be a production that will reflect great credit upon the public spirit of our citizens and the publishers of this paper. Those who desire copies of this valuable issue should leave their orders at the NEWS office, along with the necessary cash, 10 cents per copy.

F. Gilman Taylor, who recently made a business trip to Ventura, reports that section of the country in a flourishing condition and says the bean crops give promise of being unusually large this year.

Afternoon With Hearts

Among the many pleasant social affairs which have been enjoyed during the visit of Miss Garrettson to Dr. and Mrs. Hunt, was the afternoon given in her honor by Mrs. Hunt.

The invited guests were: Mesdames Pack, Hezmalhalch, Gilson, Thom, McIntyre, Guenthart, Temple, Pitcher, Lampson, Peckham, Sturges, Iman, Anderssen, Thomas, Beers, Bryant; Misses McIntyre, Penn, Whittaker and Wells.

Demure little Miss Dorothy Hunt, Miss Garrettson's cousin, admitted the guests, who were received by Mrs. Hunt and Miss Garrettson.

The large rooms were redolent with the perfume of carnations and sweet peas, which with hearts hung pendant everywhere constituted the attractive decorations.

Hearts light, congenial, suited to sociability and fosteriug sprightly spontenaiety was the entertainment.

The result of the game showed Miss McIntyre to have won the first prize, while the consolation prize fell to Mrs. Beers.

Tempting refreshments were served and the company was entertained with vocal solos rendered by Mrs. Charles Peckham, a cultured vocalist of Chicago.

M. E. CHURCH NOTES

Three persons united with the M. E. Church last Sabbath.

Subjects for next Sabbath, morning, "Rejoicing with those who rejoice" Evening, "Humiliation of Jesus—Why?"

Prayer meeting at C. T. Tooker's home on 2nd and A streets last Thursday evening was well attended and quite spiritual.

The second floor is down in the new church, the windows are mostly in, and the painting is being done. We expect to dedicate the church about the first Sabbath in July.

The pastor is preparing a little booklet that will contain a cut of our church and a number of items of real interest.

The "Drummer Evangelist," W. H. Williams, will speak in the Presbyterian church Saturday evening, at 7.45. Subject, "The Last Romp with the Tiger." No admission fee. Silver offering.

With the Presbyterians

At the Presbyterian church, the morning topic will be, "The Scripture of Truth." This is the fourth and last discourse on the great prophecies of Daniel. The evening topic will be "Church Union."

The time of meeting of the Intermediate C.E. society has been changed from Sunday afternoon to Tuesday evening at 7:30. Young people from twelve to sixteen are cordially invited to be present.

The contract has been let to put electric lights in the church. This much needed improvement will make evening attendance at church more agreeable.

Rev. W. F. Stone, former pastor of the First Baptist church of Sacramento, Cal., will preach in the Baptist church next Sunday morning and evening. All who can avail themselves of the privilege of hearing him will be well repaid, as he ranks among the best of pulpit orators.

Miss Venetia Leech

Mrs. A. J. McWhorter departed Tuesday on a month's visit to her son Alden and family, who reside at Fresno.

C. H. Scheu arrived from Salt Lake City and will spend a few days with his family at "Los Flores."

Mr. and Mrs. C. G. Wilkinson went to Irwindale Sunday, making the trip in their handsome new touring car. Mr. and Mrs. Hal H. Davenport accompanied them.

Sudden Death of Mrs. Ella Chandler

The relatives and friends of Mrs. Ella Chandler, wife of Prof. W. R. Chandler, were greatly grieved to learn of her very sudden and unexpected death which occured early Monday morning.

Mrs. Chandler had, in company with her husband, attended religious services in Los Angeles, Sunday. Returning home that evening, she enjoyed her dinner, partaking most heartily of the evening repast. Later she was taken violently ill, a physician was summoned and every effort was employed to alleviate the suffering of Mrs. Chandler. Towards the early hours of the morning Mrs. Chandler's condition seemed considerably improved, but an hour later the death angel entered the home and bore the spirit of this lovely Christian woman to that home where sickness, suffering and death are unknown.

The funeral services were held at the residence on Cypress street, Wednesday afternoon, after which the funeral cortege bearing all that was mortal of this beautiful Christian woman wended its way to Grand View Cemetery where the interment occured.

Partnership Dissolved

The partnership that has existed for the past ten years between R. S. Bassett and Fred J. Smith, doing business under the firm name of Bassett and Smith.—"We Sell the Earth"—has been dissolved by mutual consent, and the members of the late firm will hereafter continue in business independently at the same office, 202½ South Broadway, R. S. Bassett devoting himself more particularly to city interests, and Fred J. Smith looking after country properties and private interests.

"As far as can be learned, the earthquakes of California, Indiana, Connecticut or any other part of the world have never caved in a mine. How do our humorous friends, the scientists, explain this? Apparently the real estate men have a kick coming. But while the miner digs good, honest money out of the "innards," of the earth, he laughs and grows fat.—Los Angeles Times.

HIGH SCHOOL NOTES.

Miss Warner spent Saturday and Sunday in Los Angeles with friends.

The Senior girls enjoyed a spread Tuesday noon.

Prof. T. G. Adams, Head Master of the Yale School, Los Angeles, called at the High School Tuesday afternoon.

Norman Hacker, formerly student in the Los Angeles High School has entered the Sophomore class here.

Hollywood High and Glendale played base ball at Hollywood Thursday after school.

Miss Hall has arranged an exhibit of the drawing work of the pupils which reflects great credit on the pupils and the department.

The track meet with Yale School will be held on their grounds, Saturday afternoon, June 2nd.

"The watch dogs of science may bark as they please, but to the lay mind the arrival of that meteor at Corral de Tierra, near Salinas, only proves that even the wanderers of the air, when they decided to locate on this earth, prefer California.—Los Angeles Times.

BURBANK.

Mr. Randolph left Tuesday for Idaho, where he expects to remain for a couple of months.

W. H. Ginn made a business trip to Corken the first of the week.

Mr. Klene, of Illinois, is visiting his daughter, Mrs. Klene, of this place.

The ladies' aid of the M. E. church elected the following officers at their last meeting: Pres. Mrs. Will Hoist, Vice Pres. Mrs. Hogan, Sec. Mrs. Randolph, Treas. Mrs. Cook. The next meeting will be held at the home of Mrs. Charley Pomeroy

George Reaves, an old time resident of Burbank, was around shaking hands with old friends, Sunday.

Miss Ester Smith, who is attending school in Los Angeles, spent Sunday with her parents.

Mrs. Elizabeth Washburn, who has been visiting her daughter, Mrs. J. H. Avery for several months, left Wednesday for her home in Chicago. Mrs. Washburn will stop at Salt Lake City and also in Kansas to visit relatives.

Prof. Julius C. Behnke and daughter Clair, were the guests of Mr. and Mrs. E. M. McClure, Sunday.

Mr. and Mrs. Bears, of Santa Ana are visiting their daughter, Mrs. Dick Buffington. They expect to make Burbank their home.

Mrs. J. R. White, and little son, of Highland Park, spent Saturday and Sunday with her parents, Mr. and Mrs. Henry Luttge.

"Sandy Robinson," who has been quite ill is rapidly recovering. The anticipation of "Sandy's" getting even with his neighbor Radcliff, Saturday evening, is doing much to help him get well. We only hope "Sandy" will not work so hard making a noise that he will have a relapse.

On Monday, while Mr. Parish, foreman of John McClure's ranch, and McClure were driving a wagon heavily loaded with hay by the side of a wash, the ground crumbled, causing the wagon to turn over, throwing both men violently on to the boulders in the wash. Mr. Parish sustained serious injuries to his back and head but the attending physician says he will recover. Mr. McClure escaped with a badly bruised knee.

Miss Benn, who has been the guest of Mrs. Dr. Thompson for several weeks, left last Sunday for St. Helena where she will visit friends. From there she will return to her home in Chicago. Miss Benn expects to return to Burbank sometime in the near future, and make her home on the property recently purchased by her.

Mr. and Mrs. Allee, who have been visiting Mr. and Mrs. F. L. Cole returned to their home in Ventura Co. last week.

Miss Calderwood, of Highland Park, spent Sunday with Mrs. Esther Hoist.

Mrs. Leighton left last Tuesday for Murietta, where she will try the medicinal qualities of the hot springs.

Married at Topeka, Kansas, Sunday, May 6th, at the home of tne bride, John R. Radcliff, of Burbank, and Bertha May Bisney.

Mr. Radcliff's marriage came as a complete surprise to his friends, many of whom did not know he had gone east until he returned Monday evening with his bride.

Mrs. Thomas Story entertained the Missionary Society at her home on Tuesday afternoon with a "Missionary Tea." The following ladies were present: Mesdames Fischer, Sr.; Dufur, King, Ludlow, Randolph, Craig, Nickerson, Bonner, Wilson, Huntley, Pomeroy, Edmunds, Cook, Jones, McClure, Story; Misses L. Wilson and E. Travis.

Died On Monday, May 14th, Mrs. Lucretia Houser, aged 58 years.

The funeral services were conducted by the Rev. C. C. Pierce of Los Angeles at the Christian church on Wednesday. The remains were interred at Grand View cemetery. Mrs. Houser is survived by a husband and an only daughter, Mrs. Dorn, Jr.

Topics at the M. E. church May 20: Morning, "The Way God Deals with a Man Having the Blues;" evening, "Three Men who Played the Fool."

Union memorial services will be held in the M. E. church at 11 a.m., Sabbath, May 27th. The sermon will be by Rev. D. McCun. All comrades are requested to meet at the church at least ten minutes before time of service.

Notice of Assessment

INDEPENDENT WATER COMPANY OF GLENDALE

Principal place of business in the city of Glendale, county of Los Angeles, state of California.

NOTICE IS HEREBY GIVEN, that at a regular meeting of the Board of Directors of this corporation, held on the 27th day of March, 1906, an assessment of ten [10] cents per share was levied upon the subscribed capital stock of this corporation payable immediately to F. G. Taylor, secretary of this corporation, at the office of the company on Glendale avenue [opposite the post office] in the said city of Glendale.

Any stock upon which this assessment shall remain unpaid on Monday, the 30th day of April, 1906, will be delinquent and advertised for sale on Monday, the 21st day of May, 1906, at the hour of 10 o'clock a. m., at the office of the company, to pay the delinquent assessment, together with the cost of advertising and expenses of sale. F. G. TAYLOR, Secretary Independent Water Company of Glendale.

Office, Glendale avenue, opposite post office, in the city of Glendale, county of Los Angeles, state of California.

GLENDALE, CAL., May 15, 1906.

By order of the Board of Directors of the Independent Water Company of Glendale, entered on the records of the said corporation, the date fixed for delinquent sale specified in the foregoing notice has been changed, and extended from the date specified in said notice, to wit: May 21st 1906, to the 19th day of June, 1906, at 10 o'clock a. m. of said day at the place specified in the foregoing notice.

F. G. Taylor, Secretary of Independent Water Company of Glendale, Glendale, California.

Automobile Dinner

On Monday evening Mrs. J. F. McIntyre gave a dinner in honor of her husband's birthday.

The place cards were engravings of different makes of automobiles on which were lines of poetry containing hidden words which the guests were to discover and when found formed the names of the various makes of automobiles. This feature gave the guests much enjoyment.

The center piece was formed of lighted candles in the shape of an automobile wheel.

Those present were Dr. and Mrs. Hunt, Miss Stella Garrettson, Mr. Fred. McIntyre and Miss Annie McIntyre.

ORDINANCE NO. 13.

AN ORDINANCE REGULATING STREET WORK BY PRIVATE CONTRACT WITHIN THE CITY OF GLENDALE.

The Board of Trustees of the City of Glendale do ordain as follows:

Section 1: Every person, before commencing the construction of any sidewalk, gutter, curb, cross-walk or other street work, on any public street, lane, alley, thoroughfare or public place within the City of Glendale, except where said work is to be done under a public contract for the same, shall make application to the Board of Trustees of said City for a permit to do such work. The application for said permit shall be made on a printed form to be supplied by the City Clerk of the City of Glendale, and shall specify the place where the improvement is to be made, the nature of the improvement, the time within which such work is to commence and when the same shall be completed and finished, and shall contain a statement that said work will be done under the supervision of the Street Superintendent of said City, and to his satisfaction within the time specified, in accordance with the City specifications for work of that class, referring to the same by number, and on lines and grades to be given by the City Engineer or other engineer that may be designated by the Board of Trustees to do such work, a statement of the total contract price for said work if the same is known at the time of making said application, and if not, an estimate of the total cost thereof.

Said application shall be accompanied by a bond to the City of Glendale in an amount equal to 25 per cent. of the contract price or estimated cost of said work, executed by the applicant for said permit as principal and with two good and sufficient sureties, conditioned for the faithful performance of said work mentioned in said application, in accordance with the terms stated in said application and with the specifications referred to therein for such work.

Said bond shall, also, by its terms, be made to inure to the benefit of the owners of the property abutting on the street, where such street work is to be done.

Section 2: If such application be for a permit to construct a curb or sidewalk, the applicant, at the time of filing the same, shall deposit with the City Clerk a sum of money sufficient to pay for the engineering work that will be required in the performance of such street work, at the following rate:

Five ($5.00) dollars for each 250 lineal feet, or fraction thereof, of sidewalk or curb proposed to be constructed, and two (2c.) cents for each additional lineal foot up to 500 feet in all, and one (1c.) cent for each additional lineal foot over the first 500 feet. But where a sidewalk and curb are to be constructed at the same time and place only one change for engineering work shall be made, unless such sidewalk and curb are required by the person constructing the same to be laid out independently of each other by separate engineering work done at different times.

If such application be for a permit for street work other than for the construction of a sidewalk or curb, the applicant shall, if such application be granted, before commencing work thereunder, deposit with the City Clerk a sum of money sufficient to pay the engineering work that will be required in the performance of such street work at the same rates as are paid to the City Engineer for like services.

Section 3: It shall be unlawful for any person to construct or begin the construction in the City of Glendale of any sidewalk, gutter, curb, cross-walk or other street work of any public street, lane, alley, thoroughfare or public place without having first obtained a permit from the Board of Trustees of the City of Glendale herein provided for.

Section 4: It shall be unlawful for any person to do any street work in the City of Glendale without first obtaining the lines and grades therefor from the City Engineer of said City or from such other engineer as may be designated by the Board of Trustees to do such work.

Section 5: It shall be unlawful for any person to do any street work within the City of Glendale, except at the place, and on the line and grade given therefor by the City Engineer, or other engineer designated to do said work by the Board of Trustees.

Any improvement constructed by any person upon any public street, lane, alley, thoroughfare or public place, within the City of Glendale, upon which the official grade shall have not been established at the time of such construction, shall be subject to change by the Board of Trustees of the City of Glendale to conform to any grade thereafter established.

Section 6: Any person who shall violate any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine not exceeding $100.00, or by imprisonment in the County jail of the County of Los Angeles for a period not exceeding fifty days, or by both such fine and imprisonment.

Section 7: The City Clerk shall certify to the passage of this ordinance and shall cause the same to be published once in THE GLENDALE NEWS, a weekly newspaper of general circulation, published and circulated within said City of Glendale, and thereupon and thereafter the same shall be in full force and effect.

Adopted this 18th day of May, 1906.

WILMOT PARCHER,
President of the Board of Trustees of the City of Glendale.

Attest:

G. B. WOODBERRY,
City Clerk of the City of Glendale.

State of California, } ss.
City of Glendale. }

I, G. B. Woodberry, City Clerk of the City of Glendale, do hereby certify that the foregoing ordinance was duly adopted by the Board of Trustees of the City of Glendale, State of California, and signed by the President of said Board at a regular meeting thereof held May 18th, 1906, by the following vote, to-wit:

Ayes—Anderson, Fanset, Jennings, Parcher, Watson.

Noes—None.

G. B. WOODBERRY,
City Clerk of the City of Glendale.

Miss Mabel Prentiss, who is one of the two library organizers sent out by the State Library Commission and who is working in the southern part of the state for the purpose of arousing library sentiment, and to assist in every way possible in securing the establishment of a public library where conditions seem to warrent such action, visited Glendale yesterday for the second time. Miss Prentiss has headquarters in Los Angeles and has visited many cities in the southern part of the state which are interested in establishing public libraries. In California the duties, which are usually delegated to a Library Commission, devolve upon the Board of Trustees of the California State Library. The board is concerned not only with the State Library, but with the development of library interests throughout the state. The state extends no aid in the form of money, books, etc., but the state library is ready to advise or to lend any assistance possible.

The action of the Tuesday Afternoon Club in placing a state traveling library at the disposal of the public has demonstrated the fact through the interested patronage of nearly one hundred borrowers, that this library of fifty volumes is not adequate to the demands of this community. Supplemented by the 100 volumes which have been donated, the scope of the traveling library is correspondingly enlarged.

This begining however is no doubt the nucleus of a free public library suited to the requirements of our inteligent and rapidly growing population.

Mrs. G. H. Barager entertained at her new home on C St. Tuesday afternoon and evening in honor of the birthday of her daughter, Miss Aimee. The pretty bungalow was fairly filled with poppies, carnations and sweet peas, the gift of Mrs. Melvin Remsberg.

The afternoon was pleasantly passed in games, dainty refreshments were served. Miss Lillian Ward of Glendale favored the ladies with some splendid piano music. The guests of the afternoon were: Mrs. F. W. Goldsborough, Sioux City, Ia., Mrs. Ralph Bird, of Oakland, Mrs. John Ward, of Tropico, Mrs. James Campbell, of Edendale, Mmes. Herbert Goldsborough, J. W. Morris, Mary Graham, of Los Angeles, Mrs. Melvin Remsberg and Misses Lillian Ward, Mary Blackburn, Francis Remsberg, of Glendale.

At seven o'clock dinner covers were laid for Mr. and Mrs. James Campbell, Mr. and Mrs. Herbert Goldsborough, Misses Mary Graham, Cora Ward, Francis Hendershot and Howard H. Skewes. After dinner the evening passed merrily with panic and flinch.

Miss Lillian Ward gave several piano selections.

Mr. Barager and family have recently come from Los Angeles to make their home in Glendale.

Alhambra Again Defeated

The Girls' basket ball season closed Saturday as far as the local High School team is concerned with another decisive victory over Alhambra. The visitors were severely "downed" two weeks ago by the Glendale girls, but they refused to "stay put" and the result was a second drubbing at the hands of the G. H. S. team. The two teams being in good condition and very evenly matched made the contest a very exciting one for the spectators. Throughout the first half Glendale led in the scoring by a wide margin, but in the last trial Alhambra seemed determined to wipe out their previous defeat and managed to crawl up to the danger point, but, when the end came Glendale was in the lead with three points to spare.

With due respect to the magnificent play of our center, Miss Smalley, it must be said that Alhambra's work in that part of the field was of the highest order. Edna Valentine and Alma Stone at guard showed great improvement over their work in the early part of the season. The two high catches made by Miss Valentine were loudly commended from the bleachers. Our forwards played their usual good game as the score shows.

Glendale High vs. Yale School

The base ball team of the High School played their second game against the Yale School teachers and the umpire Friday afternoon on the "Adams" field.

The game looked like an easy thing for the High School "fans" with the score 10-1 in the sixth inning; but while part of the team were up looking for air, the Yale bunch tied the score in the 8th at 11 all. During the ninth inning Glendale scored one and Yale scored two, making the final score 13-12 in favor of the latter. The local team made a very creditable showing considering the fact that they had not been on the diamond since their previous game with this team. It is hoped that some provision will be made in the near future to provide suitable grounds near the High School for the field sports so that the boys may have a chance to engage in the various branches of athletics.

Ellen Beach Yaw Tells of Her Success

Madamoiselle Elvanna, the distinguished Italian prima donna, is visiting in Los Angeles at the home of Mrs. Andrews, 662 Burlington Ave.

Madamoiselle Elvanna, of Rome, Italy, is Ellen Beach Yaw, of Tropico, California. Here we know Yaw best. In Rome they refuse to know Yaw because they could not pronounce it. Though it may be true that to be great is to be misunderstood, to be mispronounced is to be nothing at all.

When Ellen Beach Yaw warbled her birdflights for the people of Paris and Naples they said:

"Behold it is a young American who sings well; but bur-r-r! what a name.

Therefore when the California lark resolved to conquer Rome as a grand opera singer, she first studied names, roles could be looked into later. Her ingenuity finally devised Elvanna, which bears at least a faint resemblance to Ellen.

"It was in 'Lucia' that I made my debut," said Miss Yaw. "'Lucia' is a very difficult opera for a debutant, for you know Lucia is on the stage all the time practically. Then I had never seen the opera. It was all new to me. But I was glad of that, really, because I wanted the conception to be all my own. Of course, that was rather daring of me, because the Italians might not have liked it."

"But they did,"

"Oh, yes. I really had an ovation. After the mad scene even the orchestra stood up and screamed. Everybody was crying 'Elvanna! Elvanna!' and I had to sing the score over again.

"At first it was more my acting that won them than my singing. I was determined to be an actress, too. So many singers cannot act. So I was thinking more about that than about my singing.

"It is very terrible to make a debut in Italy. The Italians are the hardest people in the world to have for audience. If they like you they can't do enough for you. If they don't they just hiss you off the stage. Then they have prejudice against American singers. I expected to be hissed. I was so frightened! Then when they liked me it was such a relief."

It is not surprising that even Italians, with American antipathies, liked Ellen Beach Yaw. She has a fragile, exquisite charm of personality and a manner that blends ingenuousness with dignity. It hardly seems possible that this slender, gentle-voiced girl has struggled and failed and fought and conquered on the slippery thorn-strewn road to art.

There is a subdued tone, a hint of sadness, in Miss Yaw's way and converse that make one wonder how hard the struggle has been; but she says nothing of this. I asked her if there was happiness in artistic success, and she said, simply:

"Yes; there is much happiness in it."

"It is worth it all?"

"Yes. It is worth it all."—Constance Skinner in Los Angeles Examiner.

E. M. McClure of the Glendale News sold a half interest of that paper to E. B. Riggs, and in the future business will be conducted under the firm name of Riggs & McClure. Bro. McClure has given the people of Glendale a good local paper, and with this addition to his force will be enabled to accomplish still more for that flourishing town that has just recently assumed the dignity of a city of the sixth class.—Enterprise, Sawtelle, Cal.

Two of the best corner lots in Glendale—one for $500, one for $600.

Lots in all the large tracts that have recently been subdivided.

If it is acreage you have been looking for, I have some of the best propositions in acreage to be found in this vicinity. Can give you choice acreage on First, Third and Fourth streets and right now this property can be bought right.

If it is houses you are looking for, I have two or three real bargains, and it will be worth your while to investigate if you are looking for a home.
